JANUARY PRODUCT SPOTLIGHT:

Sig Sauer P229 Legion RXP 9MM

The Legion P229 is finished in a Cerakote® Elite Legion gray coating, custom G-10 grips with a Legion medallion, the new SIG SAUER Electro-Optics X-RAY high visibility day/night sights and three magazines. The P229 in DA/SA include a reduced and contoured Elite beavertail, which allows for a higher grip, but a reduced profile, thus eliminating printing. More aggressive front strap checkering and additional checkering under the trigger guard enhance the grip.

Romeo1Pro included and on sale this month for \$1399.99
